A cartoon illustration by Zico depicting a scene where several green caterpillars are laughing heartily. In the upper left, a small blue tent labeled "FORTUNE TELLER" sits on a grassy hill. Two butterflies, one orange and black and one red and black, fly nearby. A large speech bubble from a central caterpillar reads: "SHE SAID THAT ONE DAY I WILL FLY! WITH BIG MULTICOLORED WINGS!". This caterpillar has large, expressive eyes and is wearing a small black collar. Other caterpillars are shown in various states of laughter, some on the ground and others on a tree branch. The background features stylized trees and a clear blue sky. The artist's signature "Zico" is visible in the bottom right corner.

DO YOU THINK THAT PLANTS
HAVE THEIR OWN PARALLEL
CIVILISATION, RELIGION, WAY
OF LIFE, POLITICS AND
STUFF?

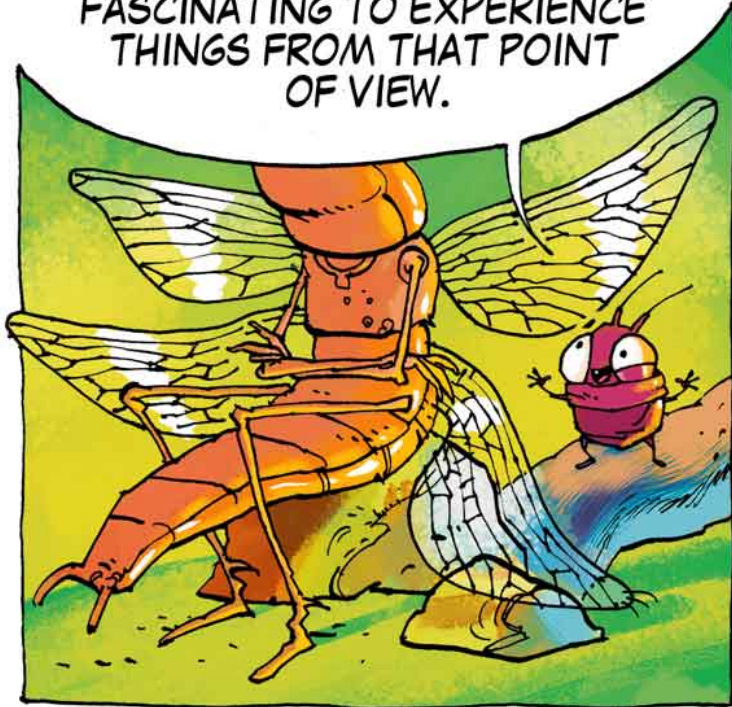

U NUTS?
PLANTS JUST
GROW AND GROW
AND DIE. WHAT
ELSE IS THERE?

Diho Bugs

I ALWAYS WONDERED WHAT IT'S LIKE
TO BE ABLE TO FLY. IT MUST BE
FASCINATING TO EXPERIENCE
THINGS FROM THAT POINT
OF VIEW.

IT'S A LEVEL OF
FREEDOM I CAN'T
EVEN BEGIN TO
IMAGINE.

WHEN YOU THINK ABOUT IT,
YOU DON'T EVER HAVE TO
PUT UP WITH ANYTHING
AND ANYONE.
